About this event

We have the power and are claiming it together. No Thrones. No Crowns. No Kings.

RSVP TODAY to make sure you receive important updates (such as meeting times, marching route, parking and public transportation info).

What began in 2025 as a single day of defiance has become a sustained national resistance to tyranny, spreading from small towns to city centers and across every community determined to defend democracy. Our peaceful movement is bigger than ever.

When our families are under attack and costs are pushing people to the brink, silence is not an option.

ResistanceRoundtable.de: We are US citizens building international coalitions for economic and political resistance to authoritarianism and taking action to support democracy, human rights and the rule of law.
